

HEY THERE, I'M LINDSEY!

So you have decided to start building your dream handmade wardrobe! That is so exciting and I am extremely honored to join you on this journey. Sometimes learning a new skill or coming back to it years later can feel overwhelming. That is why I am here to help and hold your hand every step of the way. In each workbook, I am going to walk you through how to measure, what tools you need, fabrics, how to read a pattern, plus so much more.

Sew To Grow means planting the seeds to grow the future of our craft and I am passionate about teaching and sharing my knowledge with everyone to help build confidence in sewing and fitting yourself. Happy Sewing!
